**What to Bring to Golf Class**

Pro Golf Academy provides all the necessary golf equipment for the After School Programs. The only things that you should bring or send with your child are creature comfort type items. Things like a change of clothes possibly, water bottle, snacks, hat, sunscreen or bug spray. We do not recommend that they bring their own golf clubs to school for the simple reason that they could present a problem throughout the day at school. Parents may bring clubs after school if desired. Additionally, we need to maintain complete control over safety issues and that includes who has a golf club in their hand and when.

- Water Bottle
- Send note with student to teacher about their participation.
- Notify us if student is going to be absent.
- Register for email updates on web site.
